Pay Out:

- When 10 players are reached, they will be asked by secret ballot if they want to split the prize pool. If 1 player objects to the split, play will continue. The decision can't be changed and the player getting eliminated gets 0 in cash. This process will continue every time a player gets eliminated.
- Tournament ends when all remaining players agree to split or until 1 player is left in the tournament.
- All decisions for the division of the prize pool can only be made right after a player is eliminated, with the exception of Heads Up play.
- Only at Heads Up play can a deal be struck at anytime.
- All splits must be equal. Prizes rounded down to the nearest INR 100. Excess funds and trophy will go to chip leader.
